Procedures and policies for maintaining and utilizing physical, academic and support facilities (2016-2017)

1. IQAC will do all out efforts for better performance in academics, sports and cultural and other activities. Students will be motivated for attending online lectures and viewing programmes telecast through EDUSAT system. The students were given online lecturers through EDUSAT system and were given information through extension lecturers about National Programme on Technology Enhanced Learning (NPTEL) and other Indian learning platforms. They were also motivated to enroll for skill development courses.

2. To improve the infrastructure of the college building ,a new commerce block is being constructed. RUSA funds will be utilized for purchasing equipment for Physics & Chemistry Labs, Computer Labs and library. The approval for the construction of commerce block has been received from the govt to improve the infrastructure of the college . The new commerce block will be constructed with the collaboration of PWD Department.

3. We are aiming to provide technology enabled teaching to our students, the infrastructural facilities in terms of new classrooms and technological upgradation is taken from time to time. IQAC has proposed to install Virtual and smart class rooms to coordinate administration and academic activities in the college in computerized mode . Equipment for two smart rooms and for one virtual class room was purchased from RUSA infrastructure Fund.

4. The sports department of the college will be upgraded and more students will be motivated to join sports . With the aim of generating equity between girls and boys ,separate gyms for both have been set up. Equity fund from RUSA will be spent on girls' gym and renovation of girls' common room which was equipped with an incinerator and a napkin vending machine.

5. Efforts will be made to procure power generator so as to ensure normal teaching work during power cuts .

6. To beautify and maintain the cleanliness of the college under Swachh Bharat scheme, IQAC will form committee, that will chalk out various programmes.

7. In January 2016, Wi-Fi was installed in the college .Few books ,Laptops ,Desktops and Printers were bought to automate the college library.

8. Auditorium is available for cultural activities and for public speaking to boost the confidence of students .
