Respected Madam,

Greetings from Naandi - Mahindra Pride Classroom!

At the outset, I Tarun Sharma (State Representative-MPC), on behalf of my organization, I would like to introduce the Mahindra Pride Classroom, which is a flagship CSR initiative of the Mahindra Group implemented by Naandi Foundation. The Mahindra Pride Classrooms (MPC) movement has, since 2016, been rendering yeoman service to final year students of Government Colleges Polytechnics/ITI's/Hospitality by enhancing their employability prospects manifold via a 30 to 60 hour carefully designed module. Since inception, we have partnered with 1643 institutions to train and empower over 3,00,000 youth from 18 states with the skills needed to get a job - and placing a significant number with reputed employers. The complete cost of the training is supported by the Mahindra group as part of their CSR contribution.

MPC's flagship 'Employability Enhancement training program' is a well-designed and carefully curated program that provides expertise on life skills (compassion, gratitude, respect, being a responsible citizen), Soft skills (grooming, body language, teamwork, manners, time management), Communication Skills, Presentation skills (speaking coherently and confidently) and Interview skills (resume preparation, interview questions, mock interviews). The focus of this program is finding new ways of thinking and problem solving, evaluating the impact of their actions, taking responsibility and building confidence, collaborating with the team, etc.

I am very pleased to inform you that we had an exciting time all through these years as we expanded ourselves into different territories and experimented with new ideas to reach the pinnacles of glory. As the new academic Year beckons, we are all set to explore new opportunities to train the youth of our country and help them emerge as better professionals.

MPC has always believed in a progressive approach. Hence, taking into account the present spread of pandemic all over the country, going forward it would be really difficult to conduct classroom sessions for the students. So, MPC is now venturing into Online/Offline Training sessions.

In recent times, COVID-19 has disrupted education and has opened up a world of opportunities in the space for innovation. At Mahindra Pride Classroom we recognize that India needs a resilient teacher workforce in times of crisis and that all teachers should be equipped with digital and pedagogical skills to teach remotely, online, and through blended or hybrid learning, in high-, low- or no-tech environments. Likewise, Atmanirbhar Bharat and vocal local campaigns are creating new avenues for small and medium businesses. Mahindra Pride Classroom is also aware that India needs a resilient business support service workforce to cater to the new business demands. Towards this goal, MPC has designed exclusive courses for the final year students of B.Ed, B.Com, BBA, Engineering, Pharmacy.

In FY 20-21, Mahindra Pride Classroom has introduced 4 new courses in response to the post COVID job market for youth -

1. New Educators Training - (Online or Offline line training):

- A 30-40 hours course for B.Ed. final year trainees, designed to introduce new digital tools and techniques for teacher trainees to meet the ever-changing demands.

2. Agriculture and Food System Skills for youth- (Offline training):

- An 80-hour hybrid course on building skills and capacity for youth (18-35 years) in agriculture and food systems. "Agriculture / Orchard / Estate Manager" tracks youth to take up emerging jobs in the sector and "Agriculture Entrepreneur" aims to train youth in agribusiness skills.

3. Digital Marketing -(Online training):

- A carefully designed 40-60 hours course to give students in the final year of degree hands-on knowledge in digital marketing including Search Engine Optimisation Affiliate / Influencer Marketing and Freelancing Career in Digital Marketing.

4. Coding- (Online training):

21, 09:31

Gmail - Proposal for 36 Hours Employability skills Training program (Free of Cost)

With "Guvi" (an IITM Incubatee) as the knowledge partner, this 80-hour hybrid course through its boot camps, state-of-the-art learning platform, and practical projects prepares final year Engineering students in Python skills.

Commercials:

As mentioned, Naandi Foundation shall conduct the training and placement assistance entirely free of charge as part of CSR from the Mahindra & Mahindra Group through their Mahindra Pride Classrooms

Having said that, we would like to implement our online training program in your institute with the following terms and conditions: -

We would like to implement our training in your institutions based on the following terms and conditions: -

- a) We intend to train the students enrolled in your institute interested in taking up jobs. We will be sharing a google form that will have columns to be filled with student details. The filled google form should be submitted to us one week before the scheduled date of the training. All the students listed in the google form will be registered for our online training sessions.
- b) A WhatsApp group with all the listed students will be formed including the concerned college authorities and MPC team members. This will help us communicate all the details related to online sessions with the students directly.
- c) The batch size can vary between 70 to 80 students depending on the internet connectivity of each student.
- d) You will assign a coordinator for this project who will coordinate with the MPC coordinator.
- e) The timings of the session can be mutually finalized between MPC and College SPOC.
- f) The attendance and assessments of the students will be taken care of by MPC SPOC.
- g) We are open to doing our online/offline training at your institution after a mutual agreement with you.

We are open to suggestions from you to fine-tune the program to suit the requirements of your students. To know more about MPC, please find attached our brochure.

We sincerely hope that our training programs will go a long way in contributing to the skilling target of India.

Looking forward to a long and fruitful association with your institute.

Warm Regards,

Tarun sharma
