 - II. Disagree- 14
 - III. Neutral- 15
 - IV. No response- 23

7. What changes would you suggest?
 - 1) The college needs to upgrade its infrastructure. The building doesn't have sufficient rooms, labs to accommodate classes and hold

practical. There is a need to add more smart rooms to facilitate technology-enabled teaching.

- 2) Shortage of staff is another problem. Number of staff to be increased, so that students get more time and attention of the teacher.
- 3) Students should be given opportunities to do internships in their respective fields to increase the institute-industry interaction and employability of students.
- 4) The college should hold more functions and cultural events.
- 5) The college should also introduce PG courses in certain subjects.
- 6) Need to increase placement of students.
